<div> <p>The screenshot shows the Swag Labs login interface. The username field contains "notregistereduser". The password field is empty. A red "LOGIN" button is visible. Below the button, a red error message states: "Epic sadface: Password is required". To the right of the form is a cartoon robot character holding a flag. At the bottom, there are lists for "Accepted usernames are:" (standard_user, locked_out_user, problem_user, performance_glitch_user) and "Password for all users:" (secret_sauce).</p> </div>
